This walk starts on the South Downs Way and takes you on a short loop heading south off the South Downs Way, then east briefly before heading north and re-joining the South Downs Way. There are plenty of spectacular views across the South Downs National Park and this is usually a very quiet route.

## **Parking at Chantry Post**

There is free parking at Chantry Post, which can be accessed by following Chantry Lane all the way to the top which brings you out at the car park, located on the South Downs Way. Chantry Lane leads off from the A283 just outside of Storrington village.
