Sheffield Park and Garden

Sheffield Park is a really spectacular place to visit and there are many footpaths in the acres of landscaped gardens and picturesque lakes and bridges to cross. There are many winding paths to take and is perfect on a sunny day to enjoy the abundance of flowers and quiet spaces to enjoy a picnic. You can also visit the parkland for a natural play trail to keep the kids entertained and the paths are also buggy and wheelchair friendly.

Probably the most impressive time to visit is the displays of Autumn colours through the park. This really is a sight not to be missed - walking along the pathways admiring the seasonal colours of the trees and plants.

Dogs are also welcome on short leads.

We like to pair a trip to Sheffield Park with a trip to Latchett's Farm which is a short 5-minute drive down the road, for an ice cream from their ice cream parlour.

For more information and to see what's on, visit their [website](#).

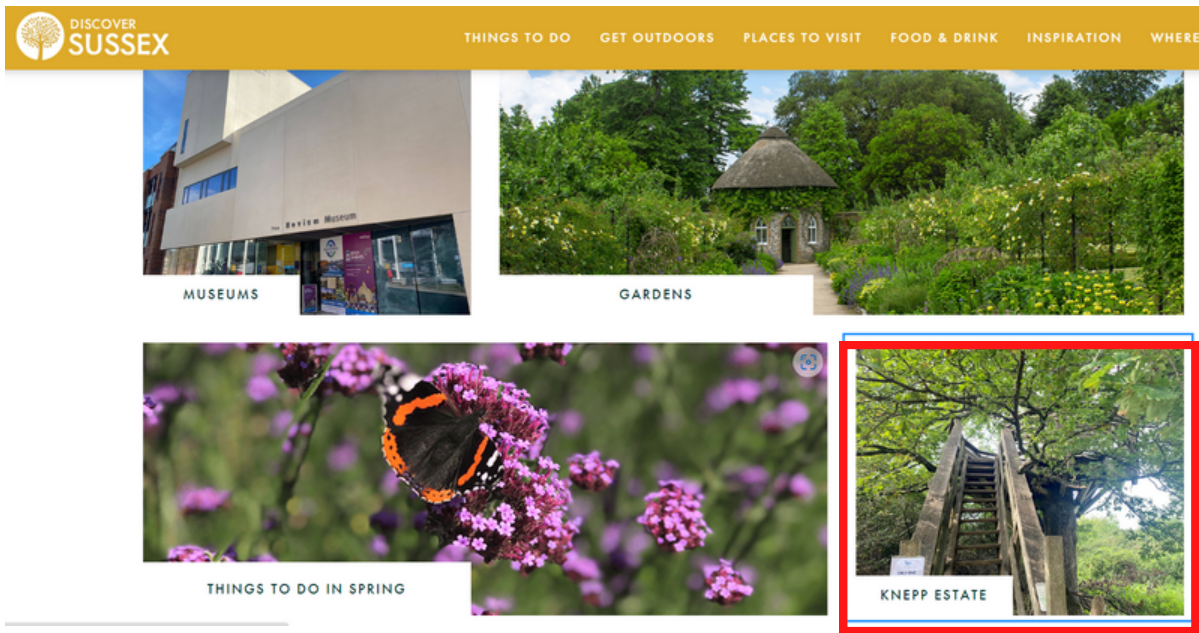

Address: Sheffield Park, Uckfield, East Sussex, TN22 3QX

Box - Things to Do

Box with a link to your website or your own page on the website. Subject to availability. Minimum 3 months.

£60 per month (small), £80 per month (large)
